

WINN-CO

Building a Sustainable Future, In Support of Our Environment

Engineering & Safety Consultants

Empowering Health & Safety Within Your Workspace

Winn-Co is a leading provider of Building Infrastructure Safety (Construction, Disaster Recovery, Facilities & Engineering, Fire Prevention, Environmental Management, Machinery and People Safety) for businesses and communities alike.

Winn-Co was established (in 2017) to help those who held limited experience and understanding of their roles and responsibilities, as an individual, charity or employer when it comes to Health & Safety.

Our comprehensive services, are designed to minimise risk, protect assets, and ensure the safety and well-being of all individuals and our environment.
